## Interroll at CeMAT 2016: Innovation and partnership

Sant'Antonino, April 9, 2016. Interroll, a global supplier of high-quality material handling products, will present its latest developments for sorters and conveyors at this year's CeMAT. Featured will be the Modular Conveyor Platform (MCP), the Magnetic Speed Controller 50 (MSC 50) and the interactive MultiControl control card.

All of these products are a testament to the high technical performance Interroll offers its customers. Interroll will also present its new generation of carton flow conveyor modules for flow storage at CeMAT.

Interroll's booth this year fully reflects its "Rolling On Interroll" partnership program. Interroll will offer members of this global program, as well as guests and visitors, a spacious lounge in which delegates can meet and exchange thoughts.
